New Member Application and Information

Thank you for your interest in Charlotte Woodturners, a 501(c)(3) non-profit charitable organization. Our primary purpose is promoting the art and craft of woodturning. We provide education and instructional assistance to all interested woodturners regardless of experience level. We are a chapter of the American Association of Woodturners. We meet the third Thursday of each month at 6:30 to 9 PM at 4001 Sentry Post, Charlotte, NC 28208. Our monthly meetings are open to the public and invite both members and guests. We schedule local and famous demonstrators to teach the art and craft of woodturning. We are open to hobbyists and guests interested in woodturning, including both professional and amateur woodturners. We encourage our members to bring recently turned items and share their experience with all other members and guests. We are supported by our members and local suppliers and are extremely excited about the programs we have scheduled this year, and welcome you to the fun. We have several levels of dues. Please pick the one that best fits your desires as a club member.

Your dues may be fully tax deductible.
